

2

### Brainstorm

Write down any ideas that come to mind that address your problem statement.

10 minutes

#### Ajay Selvakumar S A

Simple user interface  
Identify the gesture  
Difference intentional and unintentional gesture  
Hand gesture interpretation

#### Leegang Halley

Interactive user interface to upload image  
3D recognition of gesture  
Most effective algorithm image  
Quick analysis of radiology images  
To identify exact action for same type of gestures  
Reducing low false positive rates  
Preservation of radiology images  
Train and test the model with maximum data

#### Rishi S

Pre trained model for image classification  
To recognise dynamic gesture  
Quick expressing of message  
To detect hand click and accurately

#### Silviya M

User friendly website  
CNN model to classify gesture  
Time saving  
Maintaining certification on operation theatre  
Touchless user interface  
Navigate in virtual environment  
Robust method for hand gesture recognition  
Extra gestures for more operations

3

### Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

20 minutes

#### Category 1

Identify the gesture  
To identify exact action for same type of gesture  
To recognise dynamic gesture  
CNN model to classify gesture

#### Category 2

Pre trained model for image classification  
3D recognition of gesture  
Hand gesture interpretation  
Preservation of radiology images

#### Category 3

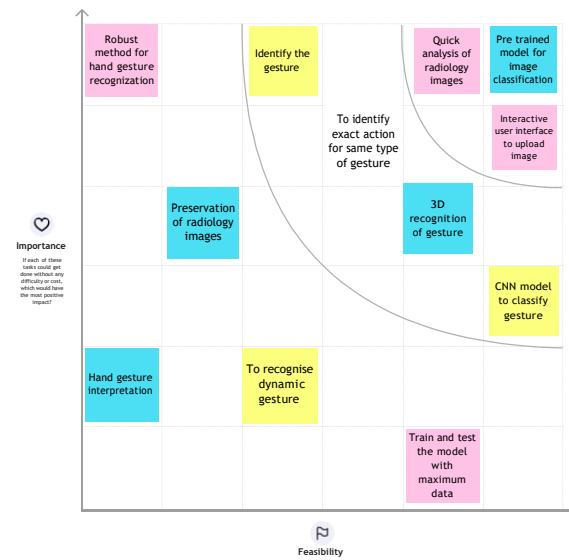

Interactive user interface to upload image  
Quick analysis of radiology images  
Train and test the model with maximum data  
Robust method for hand gesture recognition

4

### Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

### After you collaborate

You can export the mural as an image or pdf to share with members of your company who might find it helpful.

#### Quick add-ons

- Share the mural  
Share a view link to the mural with stakeholders to keep them in the loop about the outcomes of the session.
- Export the mural  
Export a copy of the mural as a PNG or PDF to attach to emails, include in slides, or save in your drive.

#### Keep moving forward

- Strategy blueprint  
Define the components of a new idea or strategy.  
Open the template
- Customer experience journey map  
Understand customer needs, motivations, and obstacles for an experience.  
Open the template
- Strengths, weaknesses, opportunities & threats  
Identify strengths, weaknesses, opportunities, and threats (SWOT) to develop a plan.
